We are pleased to welcome you as a visitor to Infineon Technologies. Whether you are here as an employee from an associate company, a business partner, a supplier or potential employee ... this brochure aims to provide you with information to help ensure your safety and ours. We would therefore ask you to read it through carefully. This will help to make your visit pleasant and troublefree.

DEAR VISITOR

Please bring with you proof of identity (showing a photograph of you) or your driving licence.

After you have shown proof of identity, you will be given a visitor’s badge. Please wear this so that it is clearly visible at all times.

You will be accompanied to your appointment.

For security reasons you are not permitted to bring photographic, video or audio equipment with you.

Unfortunately children under the age of 14 are not allowed to accompany you.

You must enter our premises at your own risk.

Checks may be carried out by our security personnel and we would ask for your understanding in this matter.

INFORMATION FOR VISITORS

If you have any further questions, please do not hesitate to call our Security Hotline: +49-89-234-22222

Never stop thinking.
